

Family Open Swim

The YMCA of Harrison County is proud to extend usage of our Therapy Pool to our Family members. Please check our [Therapy Pool Schedule](#) for “Family Open Swim” days and times.

There are additional rules during Family Open Swim times to ensure the safety of all participants.

- ◆ *At the “Family Open Swim” times parents may bring children into the Therapy Pool.*
- ◆ *At Family Open Swim time, there is no age requirement of the participant.*
- ◆ *The only jumping allowed in the pool is to the arms of their parents.*
- ◆ *No swimming in the ramp area.*
- ◆ *No swimming between the rails and the ramp.*
- ◆ *No throwing toys.*
- ◆ *No water aerobic equipment is allowed out during this time.*
- ◆ *Lifeguard must enforce maximum number of participants in the allowed in the pool. (Maximum number is 24).*

Parents, please help the lifeguard on duty strictly enforce the safety rules with your children. Adding additional Family Open Swim times and/or changing rules will be dependent on the performance of all participants.

Thank you for your cooperation,

Andy Pappano

Aquatics Director
YMCA of Harrison County
