

Letter to Lap Swimmers, High School Coaches and Everyone who uses the Lap Pool,

This is an exciting time here at the Y! The YMCA of Harrison County serves many individuals for very many different needs. The pool is just one very good example of that. We have individuals who swim for health as well as those who use the pool for physical therapy. And then there is some who use the pool for just some good old fashion fun time!

Starting October 26th another group will be using the pool. The High School swim teams will start their season. It is my responsibility to ensure that everyone gets a part of the pool in the best way possible. As you can see from the wide variety of swimmers, that is no easy feat since everyone has a different need. In an effort to accommodate all swimmers, I have made some changes in the way this will happen. First, I believe that keeping everyone informed is most important. I have listed the lap lane assignments that will be in effect during the High School Swim Team season lasting 14 weeks.

Some changes that have been made:

- ◆ An addition of a new counter space with mirrors and electrical outlets has been added to provide adequate space.
- ◆ I have also added lane markers on the pool deck to help everyone understand the lane assignments. The Lifeguard can help you with any questions you may have.
- ◆ The Schedule will be posted in the pool for reference.

Corydon Swim Team two practice sessions:

Monday – Friday 6 – 7:30am

Swim Team lanes 3 – 6,

Lap swim lanes 1 & 2. (Except on **Friday's**, when only lane one will be the lap lane as there will be no evening practice for CC.)

Monday – Thursday 7:30 – 9pm (except Dec. 7th-18th, 5:30-7pm)

Swim Team lanes 2 – 6,

Lap swim lane 1. **CC has no evening practice on Friday's.**

North Harrison and Lanesville practice:

Monday – Friday 4 – 5:30pm

Swim Team lanes 2 – 6,

Lap swim lane 1

The YMCA of Harrison County Torpedos practice:

Tuesday, Wednesday and Thursday 5:30 – 7:30pm

Swim Team lanes 3 – 6,

Open Swim lane. 1,

Lap Swim lane. 2

On days of meets there may not be practice, these days are reflected in the attached calendar. Also, the schedule may be different during school breaks (Thanksgiving, Christmas) which are also noted on the calendar.

As this is our busy time of the year, we will be making all the changes we can to accommodate everyone. With the limited pool space, there will only be lap swimming (no open swim) during High school practice times. There will be one lap lane during afternoons and two lap lanes during mornings while High School practice is going on.

This schedule will be strictly held to and no changes will be made unless there is an emergency. Attached is a calendar of the 16 weeks showing all practice days and times, days without practice and the holiday practice schedule. Starting immediately after the High School season ends, the Junior High Teams will begin their season. This is only a 6 week season and this practice schedule will be available by mid-January. I know that Corydon will most likely keep the morning practice time and North Harrison will have the same afternoon time as the H.S.

The Lifeguards have been instructed to uphold the lane assignments and times to the minute. If the posted schedule is not being followed please contact myself or Lisa Fisher at the YMCA or cell 968-9876. We can't see and hear everything, so if we don't know about it, we cannot change or correct it.

Thank you for your patience and understanding as we live our mission and our promise to the community of making the YMCA accessible for all! And again, if you have any questions, comments or concerns, please stop me, call or write.

Sincerely,

Andy Pappano

Aquatics Director

YMCA of Harrison County
