

3-4 Rules of Play

YMCA of Harrison County

1. Field markings. Same as a full size soccer field (scaled down).
2. Teams: 5 v 5 without a goalie. Ball: size 3.
3. Equipment: soccer shoes (soft cleats, not metal) or tennis shoes. Shin guards mandatory at all practices and games. No jewelry (including earrings or other body piercings), watches, barrettes, etc. Youngsters cannot wear earrings nor can they simply "band aid" the earring.
4. Coaches/Referees: Coaches/Referees should emphasize safety, fairness, learning and fun. The coach should explain any infringements to the players and allow poor kick-ins to be retaken by the player originally kicking in the ball.
5. Duration of games: four quarters of eight minutes each. Call quarters on a natural break in play if possible. Two minute quarter breaks, and a five minute break between halves.
6. Rules: same as regular soccer (with distances scaled down appropriately), except that there are no free kicks, no offsides calls, no penalty kicks, and no goalkeepers. Since the regular rules of soccer are generally in effect, the following rules, among others, apply:
 - Games start with a kick off in the center of the field, with the defending team outside the center circle. The home team selects which side of the field to defend. The visiting team kicks off in the first half and the home team kicks off to start the second half. (Home teams are listed second on the schedule.)
 - Ball is out of play only when the entire ball has passed completely beyond the boundary line; i.e., a ball that has any portion on the line is in play and the game continues. This applies to side lines, end lines, and goals.
7. No player may take up permanent or semi-permanent position within the "goal area" (this is the box in front of the goal which designates where goal kicks are taken from), unless there is active play in that area. Referees/coaches should instruct violators to move.
