In accordance with the YMCA of the USA Aquatic Safety guidelines and by recommendation of the National Weather Service and the National Lightning Safety Institute, the YMCA of Harrison County Aquatic Staff follows the following inclement weather procedure:

In the event that thunder is heard or lightning is seen, the pool and entire pool area must be closed, cleared and secured. Activity may resume thirty (30) minutes after the last observed lightning or thunder. This means if there is thunder after 27 minutes of suspended activity, the 30-minute clock starts all over again.
